### **FOR IMMEDIATE RELEASE**

#### **Safe Banking Systems Named Category Winner for Customer Satisfaction in the Chartis 2017 RiskTech100® Report**

##### ***Award recognizes client-focused service and support***

**MINEOLA, NY, November 30, 2016** – Safe Banking Systems, a provider of powerful anti-money laundering and compliance solutions, today announced that the company received the top score for customer satisfaction, winning the category in the Chartis 2017 RiskTech100® report. Additionally, Safe Banking Systems gained high marks for innovation and was ranked 39<sup>th</sup> overall, moving up in position for the fifth consecutive year.

The annual Chartis RiskTech100® report, considered one of the most authoritative studies in the industry, comprises a broad spectrum of the most noteworthy risk and compliance technology providers worldwide. Vendors are carefully vetted and ranked on a number of categories, including functionality, core technology, innovation and customer satisfaction.

“It is an honor to have been named Category Winner for Customer Satisfaction by Chartis,” said David Schiffer, president and CEO, Safe Banking Systems. “The award demonstrates what a customer-centric company can achieve with hard work, responsiveness and a commitment to product excellence. Delivering outstanding service contributes to our clients’ success as it ensures they derive the greatest benefits from SBS’ solutions for identifying, assessing and managing relationship risk across the enterprise.”

“The need for innovative solutions to meet increasing regulatory requirements and address the challenges of risk management has never been greater,” said Peyman Mestchian, managing partner at Chartis. “SBS’ upward trajectory since its inclusion in the RiskTech100® rankings
