## **SBS Earns a Spot in the 2017 IDC FinTech Rankings**

### ***Joins elite list of global solutions providers***

**MINEOLA, NY, September 14, 2017** – Safe Banking Systems, LLC, a provider of innovative anti-money laundering and compliance solutions, is pleased to announce that it has been included in the 2017 IDC FinTech Rankings from IDC Financial Insights. This ranking recognizes the top 100 global technology providers to financial institutions based on revenue from hardware, software and IT services.

“As a first-time participant, we are honored to be included among such a noteworthy group of predominantly large international companies with broad market penetration,” said David Schiffer, President & CEO of Safe Banking Systems. “Being ranked on the IDC FinTech Top 100 reflects the growing influence of SBS and the strength of our enterprise-wide AML and compliance offerings across client institutions.”

“A position on the IDC FinTech Rankings is a significant achievement, demonstrating a fintech company’s commitment to the success of their financial institution clients,” stated Karen Massey, senior analyst at IDC Financial Insights. “The IDC FinTech Rankings, now in its 14<sup>th</sup> year, is the global industry standard who’s who of financial services technology providers, and we congratulate the 2017 winners.”

Winners of the IDC FinTech Rankings and Real Results were announced on September 11<sup>th</sup> at an invitation-only event at the Finovate Fall conference in New York.
